

Talking 4 Real

When Communication gets Complicated

Communicating, talking, and sharing, can be complicated at times. This workshop seeks to explore ways to say what you want, help others understand what you mean, and relate what your intentions really are. More specifically we will gather tools to help be more effective when talking gets difficult and the discourse goes awry.

Let's discover how being deeply connected in the communication exchange can be a profoundly meaningful experience.

A 'taster' workshop Part 1 in a series of workshops.
